"George Ellot" Not a Beauty.

"George Ellot" Not a Beauty.

A writer in the British Weekly tells of a talk he has just had with one of the old triends of George Ellot: "Was she as coarse-looking as her pertrait?" I asked. "Yes," was the reply, "and the older she grew the coarse-looking she became. Her portrait by Sir Frederic Burton is an exact likeness. I have frequently compared it feature by feature with herself, and nothing could be more perfect. But she had the most charming voice I ever heard-a sweet, low contrain. This atoned for the harshness of her features." "Was she conceited?" I asked. "Yes; very much so," was the reply: 'but it was not the conceit of a poet nor the canceit of a novelist. It was the conceit that used to exist, if it does not exist now—the conceit of knowing everything that was to be known."

Here's Your Chance. The Union Pacific announces low rates as follows, commencing March 6th;

Moisten the buttonholes of starched collars, wristbands or cuffs a little (on the wrong side) before attempting to button them or insert cuff buttons; they will more easily button, and the buttonholes will keep longer intact. Solied places on beder pillow ticks are greatly improved if placed in the hot sunshine. When the starch has dried rub the spots which it has covered vigorously with the dry starch.
